Sascha
I'm ready to meet. I'll be in IL only in mid May. In Europe around May 25th. I've passed it to Nili Priell she will coordinate with you.

Dear Mr. Barak,

Two weeks ago, we had a short telephone conversation: I kindly ask you for the opportunity of a personal meeting in Israel. I would very much like to present our project CHALLENGE FUTURE to you. We are looking for a personality who can act as our consultant from time to time – maybe this could be an interesting business opportunity for you. Our esteem for you is really high – not only because of your extraordinary political work but also because of your way of speaking frankly. I would be very happy if you were prepared to meet me in Tel Aviv or Jerusalem; the encounter would not take too long.

If you have further questions, please do not hesitate to contact me any time.

Many thanks and kindest regards,
Sascha Hellen
